Open Position

A position as University Assistant (“Post Doc”, 40 weekly hours) is available at the Institute for Materials Chemistry (Theoretical Chemistry), TU Vienna. The position is expectedly from 1st of June 2018 to the 31st of May 2024.

Remuneration: Salary group B1. The monthly pay for this salary group is Euro 3.711,10 (14x per year) brutto. Due to activity-related previous experience, the fee may increase.

Admission requirements: A finished Ph.D. in Chemistry, Physics or Materials science.

Additional qualifications: A documented publication record. Documented experience with scientific code development and a scientific background in development and application of theoretical methods for the study of ab-initio thermodynamics and oxide defects are prerequisites.

The activity is oriented towards the thermodynamic stability and reactivity of functionalized oxide surfaces and their treatment within DFT. The application should be accompanied by a research-plan (2 pages) detailing the applicants future plans within this field.

For further information on the project and the research group, please contact: georg.madsen@tuwien.ac.at (https://www.imc.tuwien.ac.at/tc_madsen).

Applications deadline: 26th of April 2018.

Applications including CV, letter of motivation as well as research plan should be sent as a single pdf to birgit.hahn@tuwien.ac.at

Applicants are not entitled to compensation for accrued travel and subsistence expenses incurred on the occasion of the admission procedure.
