

Einladung zum Habitationskolloquium

Dr. Barbara Lieder

Department of Physiological Chemistry,
Faculty of Chemistry

***Biomolecular chemoreception in the regulation of
metabolic functions***

When: Wednesday, 4 November 2020, 10:00h

Where: Video Conference (via Moodle BigBlueButton)

HOW TO PARTICIPATE:

If you want to watch the **live stream of the lecture** and participate in the subsequent discussion, **please use the following link to enter the virtual meeting** (Moodle BigBlueButton): <https://chemie.univie.ac.at/HabilLieder>

We kindly ask you to enter the video conference about 5 minutes before the talk starts to ensure a joint opening. Please do not use BigBlueButton while a VPN connection is active. This may cause interruptions.
